

## 2017 NEW PROGRAM UPDATE: LEBANON

Gift of Life Lebanon became the 74<sup>th</sup> affiliate of Gift of Life International in April 2015. Since their inception, GOL Lebanon has helped heal the hearts of 45 Lebanese children.

While this is one of our newest programs, it is quickly becoming one of our most prolific. GOL Lebanon is very active and creative with their fundraising and will provide hope to an additional 31 children in the coming months.

Thanks to the efforts of GOL Lebanon and our global network, this program is healing the hearts of Lebanese children as well as children from United Nations Syrian refugee camps and surrounding Middle Eastern countries.
