

2017 COUNTRY OF FOCUS UPDATE: THE DOMINICAN REPUBLIC

We are very excited about our new partnerships in the Dominican Republic for 2017. Through our global network of caring, the hearts of 100 Dominican children will be healed in the coming year at Hospital Infantil Dr. Robert Reid Cabral in Santo Domingo.

Concurrently, we will conduct an assessment as to whether this program meets our criteria to be considered one of our Core Programs.

GOLI affiliate, GOL Santo Domingo will provide logistical support and oversight of our efforts in the Dominican Republic.
