Amman, Jordan Visit
Message from our CEO

FOR DECADES, GIFT OF LIFE HAS BEEN A BEACON OF HOPE IN JORDAN TO JORDANIAN CHILDREN AND CHILDREN throughout the region. Gift of Life Amman and the training team from Riley Hospital for Children led by Dr. Mark Turrentine have formed the foundation of these efforts. In recent years, Gift of Life International has helped increase the children treated by coordinating Rotary Global Grants and adding their strategic partner Chain of Hope UK to the list of partners.

We have been blessed to have the support of Al Khalidi Medical Center and their team of healthcare professionals. Children who otherwise would not receive the care they required, have been provided superior treatment for their heart ailments. During this visit, 13 precious children had their hearts healed and now have the hope of a healthy future!

This visit was sponsored through Rotary Global Grant 1867070. The Rotary Clubs of Amman Jerash and Oakville were the host and international partners, respectively. The following members of our Global Network that supported this life-saving effort included: The Rotary Clubs of Amman Jerash, Oakville, The Pelhams, Maplewood, Amman Citadel, Rotary Districts 7230, 6960, 7080, 7475, Gift of Life Rotary District 7090, Gift of Life of New Jersey, Gift of Life Inc. Gift of Life Long Island, The Government of Canada, The Rotary Foundation, Chain of Hope UK, The Josh Lindblom Foundation and the Rotary Club of Greenfield.

Additionally, we would like to recognize Gift of Life Amman for the support they provided with logistics to ensure the visit was successful.

This report is presented in honor of the commitment of many to do whatever it takes to heal the heart of the next child from Jordan and its surrounding region.

Sincerely,

Rob Raylman
CEO – Gift of Life International
13 Little Hearts Healed

ZAIN
Age: 2.5 Years
