Jordan Surgical Visit
WE CONTINUE OUR WORK IN JORDAN TO DEVELOP GREATER OPPORTUNITIES FOR CHILDREN with heart disease in Jordan and throughout the region. There is a great need in Jordan to increase the capacity to treat children with congenital heart disease and other heart ailments. Our efforts in Amman have a real sense of urgency.

This visit to Jordan University Hospital was the second time we have partnered with the team from Le Bonheur Hospital in Memphis, Tennessee (USA) led by Dr. Umar Boston and Dr. Mohammad Absi. Their team worked side by side with the team from Jordan University Hospital, led by Dr. Iyad Amouri. Thanks to this collaboration, 11 precious children received the care they so desperately need—8 Jordanian, 2 Syrian and 1 Nigerian child. All these children now have a healed heart and a pathway to a healthy life.

These visits are months in the planning and rely upon the generous donations of our partners. We are thankful to Gift of Life Mid-South and Atfaluna for being the prime sponsors of this visit, and for the support of Roya, Discovery Circle Tours, Kasih Food Production Co., Mr. Farid Abdullah Khalifah and Bank al Etihad.

We look forward to providing more help to children through these successful partnerships.

Sincerely,

Rob Raylman

CEO, Gift of Life International

Thank You to the Medical Teams
Thank you to our Partners & Sponsors

This work we do takes a global network of donors, like-minded partners, volunteers and healthcare professionals to develop sustainable pediatric cardiac programs.

Thank you to Mr. Farid Abdulla Khalifeh
Gift of Life International is a Rotarian-based program that provides cardiac care to children throughout the world. Gift of Life International was started by the Rotary Club of Manhasset in Rotary District 7255 USA and is currently sponsored by Rotary Clubs and Rotary Districts around the world. Gift of Life International is a non-profit organization which is tax exempt according to IRS Code 501c3. Tax ID#56-2322626

Whatever it takes to heal the heart of a child.

Over 44,000 hearts healed to date!
