Ranked by Golf Digest as one of the top 100 Greatest Courses since 2009 and Top 10 in New York, this Jack Nicklaus/Tom Doak design is adjacent to Shinnecock Hills and National Golf Links of America. Sebonack Golf Club hosted the 2013 Women’s Open.
Our Mission

Our mission is to provide lifesaving cardiac treatment to children in need from developing countries regardless of gender, creed, or national origin. Our goal is to develop sustainable pediatric cardiac programs through the empowerment of local healthcare professionals by implementing screening, surgical and training visits which are supported by autonomous Gift of Life programs, Rotary global grants and generous donors from around the world.

Interesting Facts

- Every 2 hours and 18 minutes a child with heart disease is treated through our global network
- Since 1975, over 46,000 children have been treated from 80 countries across 5 continents
- Over 1.3 million children are born each year with a congenital heart defect
- 93% are born in a country that cannot provide them with treatment
- Our global network of caring is comprised of 84 Gift of Life Affiliated Programs around the world
- Our strategy focuses on the development of sustainable pediatric cardiac centers of excellence and the empowerment of doctors and nurses to treat children in their country or region of birth
- Through our strategic approach, we have created sustainable pediatric centers of excellence in our Legacy Programs located in Uganda, El Salvador and Romania
- We continue to empower local healthcare professionals as we work to reach sustainability in our Core Programs located in Jamaica and Bolivia
- Our Countries of Focus demonstrate a dire need for pediatric cardiac care but do not meet criteria to be considered for a Core Program. We have developed country-specific strategies to maximize our impact throughout the Dominican Republic, Jordan, Lebanon, Egypt, The Philippines, Kosovo, India, Pakistan and Haiti.
- Our work has recently expanded to Guyana, Kenya, Nigeria and Sri Lanka where children lack access to care
- 97.5% of donations directly support the development of our programs
- Our work goes beyond repairing a child’s heart....it is about saving a child’s life!
This EXCLUSIVE Golf Invitational benefits Gift of Life International Inc. Sponsorship of the tournament offers a great opportunity to support a wonderful cause, enjoy a tremendous golf course and spend the day with fellow corporate executives, clients, prospective clients and friends – all while helping to save the lives of children with heart disease.
